Ω OMEGA YOUR BEST WATCH INVESTMENT

Constellation
ladies
From HK$600.

Constellation
Chronometer
From HK$630.

FIVE REASONS WHY YOU'LL WEAR YOUR OMEGA WITH PRIDE AND CONFIDENCE

Every single Swiss wrist-watch accuracy record is held by Omega. Never before had a watch manufacturer performed this historic feat.

Alone, Omega makes over 50% of the total Swiss production of Chronometers—These are "super" watches whose exceptional accuracy is proved in an official Swiss laboratory.

At the Diamonds International styling contest in New York, Omega became the first manufacturer to be awarded an "Oscar" for four outstanding designs. Omega has since been admitted to membership of the Diamonds-International Academy.

You will find the OMEGA range of watches gives a complete choice of models and styles. They vary from solid gold to shining stainless steel. You can select from the many special features—calendar, self-winding, stop-watch.

Whatever watch you choose, you can be confident that it has been created to give you all of Omega's lasting accuracy.

Only an Omega can be expertly serviced in 156 countries, thanks to the Omega World Service Organization. Any Omega jeweler anywhere in the world will honour your Omega guarantee as though he had sold you the watch himself.

Nowhere else in the world can OMEGA watches be obtained at such attractive prices as in Hong Kong.
